Greetings!

We hope you had a great experience with us last tax season and we look forward to working with you again this year.

The IRS has set forth new regulations on how we send documents back and forth with our clients. We now have an encrypted portal for you to send us your documents. It's very easy to use. You'll use it to pay your invoice and once your return is complete we will upload it to the portal and you will have access to it 24/7 (so you'll always have a copy of your tax return just a few clicks away).

All efile authorizations will now be e-signed through the portal so you never need to send us signed documents through the mail. If you still wish to receive a printed copy of your tax return in the folder \$10 will be added to your fee. There is a checkbox on the Recurring Client Form to indicate that you would like everything printed and mailed.

1. Please read these forms carefully and fill out anything that pertains to you. Sign the Recurring Client Form,
2. Scan all of your documents into 1 PDF and upload it to the portal, **or** make photocopies of your tax documents (no receipts) and send them through the mail.

The Flight Calendar is the best way to keep track of your overnights for the whole year. (United Crew— this doesn't apply to you). Then you will only have one sheet to send us instead of a whole report. However, keep the reports in your files in case you ever need to prove your layovers.

We are also here for your financial planning needs. Do you have an old 401k to rollover? Want to start an IRA or just get an idea of how your finances are looking for the long-term? We are working with a fabulous brokerage and have access to almost any product line out there – annuities, life insurance, long-term care insurance, Roth IRAs, etc.

Please do not send:

- Receipts (please total your receipts – including charity receipts/letters - and put the amounts on the worksheets)
- Monthly Paystubs (if you'd like to send the last one of the year that's fine, but don't send more than one),
- Checkbooks, or any originals you would need as part of your records
- Your own Excel spreadsheets. If you are self-employed or a landlord please use your spreadsheets to fill out our worksheet (either the self-employed worksheet or the rental expense and income worksheet – available at airlinetaxes.com).

Call or email if you need any help. We're here year-round. Thank you for using AirlineTaxes.com.

I would like to receive a copy of my tax return and supporting documents by snail-mail for \$10 extra.
(We are now paperless and our secure online portal will allow you 24/7 access to a digital version of your tax return(s).
You will be able to pay your invoice, e-sign your e-file authorizations and download your returns at your convenience).

Please read carefully and sign below: I am paying for the time and expertise of a professional tax preparer. I understand that I will be charged for the preparation of this return before I am told the amount of my refund or liability to the IRS (Sorry to sound so hardcore! In 2015 we did hours of work for new clients, and if their refund amount matched online software they wouldn't pay, so we had to add this threatening-sounding clause, but you're already a client and you know we're super nice!). I understand that my return will be prepared based on the information I provide and my documents will not be returned to me by mail unless I chose the snail-mail option above. My documents will be available to me in digital form. I am solely responsible for the accuracy of the data that I provide.
